5Y	100.00%	Attained
6D	99.33%	Attained
6H	98.39%	Attained
Overall School	98.16%	Whole school target attained!

Children in Need 2018

Thank you to all of you who donated towards the 'Children in Need' appeal. We raised a grand total of **£686.74!**

Well done everyone!!

Cold Weather

Due to the increasing cold weather, please ensure that your children come to school with their hats, gloves, scarves and coats.

Please try to ensure all items of clothing are labelled with your child's names. In the event of extreme weather, school will assess whether it is viable to open school to children and staff. If school has to close due to this reason, please note you will be informed via text so please ensure your mobile phone numbers are up to date with the office. Local radio stations will also broadcast any closures; please listen out on Free Radio, Heart FM and BBC Radio West Midlands. A message will also appear on the school website. In the event that school is open during snowy and icy conditions, please note that a gritted path will be created through the playground. Please ensure you use the gritted path to walk on when you drop your children off at school and encourage your child / children to walk on the gritted areas. Outdoor play will be cancelled if conditions in the playground are too icy.

Kingswood Meeting

A meeting for the parents of pupils in Year 5 who will be attending Kingswood is to be held on Wednesday 12th December from 3.25 –4.00pm. Please ensure you attend as you will be given specific information regarding your child's residential stay.

City Serve

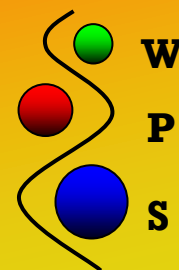

Twelve of our Year 3 pupils attended the City Serve kitchens this week and had the opportunity to watch and then prepare, healthy pizzas for themselves.

This is all part of our healthy eating initiative in helping to promote nutritious and manageable options for our families in school.
