## Year 1 Habitats Display

Year 1 made a great display about 'Living Things and Their Habitats'. "We have been looking at animals and their habitats in topic. We have looked at the different animal groups and habitats. We explored the sea, arctic, rainforest, woodlands and the desert. We discussed these habitats, including what the weather would be like and what the conditions would be like. We also looked at what types of animals would live in these habitats."

## Road Works on Westminster Road

We have been notified by Birmingham City Council that road works on Westminster Road are due to start during the week commencing Monday 18th February 2019. This is in order to replace the street lighting on the road. This will mean that there will be limited access to properties and parking on Westminster Road for a period of six weeks. This will have implications if you use your car to drop off / pick up your children to school on Westminster Road as part of the road and pavements will be cordoned off. There will be pedestrian access but please note you may not be able to park your car on the road. Please be mindful of these repairs over the period mentioned.

## SEN Coffee Morning

We will be holding a SEN Coffee morning on Thursday 7th February from 9.10—9.40am. You will have an opportunity to meet the SEN team and find out about school interventions and support available for your children.
