Coronavirus update

As you will have seen on the TV and in the news, the coronavirus situation has now been upgraded from the 'containment' phase to the 'delay' phase of the government's response plan in dealing with the outbreak. The latest guidance has stated that from today if you or your child develop coronavirus symptoms, however mild, have a new or continuous cough or a high temperature, to stay at home for the next 7 days. At the moment, schools in the UK are still open but the situation could change in the next few weeks. We will keep you updated regarding this. In the meantime, the best preventative measure against the virus is to ensure good hygiene practice by regularly washing hands with soap and water. We would also like to remind parents whose children suffer from asthma to make sure their children have the relevant inhalers and to administer them as recommended. We make regular checks to ensure your child has an in-date inhaler in school.

Ofsted Inspection—Results

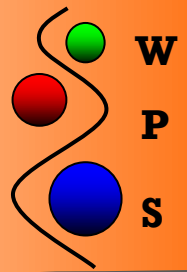

Following our recent Ofsted inspection, we would like to report that 'Westminster Primary School continues to be a good school'. The report begins as follows:

'Westminster Primary is the caring heart of the community. Pupils and staff work together to achieve the best possible outcomes. Leaders and staff have high expectations of all pupils. They want the best for them. Pupils work really hard to meet these goals.'

Full details of the report are available on the school website. If you click on the 'Information' tab and then click on the 'Ofsted' tab, a link to the latest report will take you to the inspection report.

WORLD BOOK DAY

Last Thursday, the school took part in 'World Book Day' and it was an opportunity for children and staff to come dressed up as their favourite book characters.

From characters such as Harry Potter, Gangsta Granny, Cat in the Hat, Mary Poppins and Maleficent we had a great variety of characters turn up! Even the teachers made a superb effort in dressing up. The best dressed characters from each class are to be given a special treat today as they will be visiting Waterstones bookstore and given a chance to choose a book of their choice.

SPORTS RELIEF

Thank you to all of you who participated in the Sports Relief events earlier this week.

The children had great fun in taking part in the 'Daily Mile' activities.

We raised £251.70 which will be donated to the Sports Relief charity.

WATER BOTTLES

Please can we ask parents to ensure their child brings a water bottle to school. We will be sending water bottles home on a weekly basis in order that they can be washed and cleaned ready for the following week.
