Missing Child Policy

The safety of our pupils is our priority whilst they are in our care at school. This policy sets out our procedures for dealing with the unlikely event of a child going missing.

Responsibilities

It is the responsibility of the Trust Board to ensure that they are aware of the school's procedures and to challenge/support the school in its review of this policy.

It is the Headteacher's responsibility to ensure that all relevant staff are aware of this policy, their responsibilities in terms of what is expected and the procedures to follow. He must also ensure that the policy is reviewed on a timely basis.

It is the responsibility of all Staff to read the policy and act at all times in accordance to its guidance.

It is the responsibility of Parents to ensure they provide correct and updated contact information on a timely basis and that they know the procedures for handover of their child for both beginning and end sessions.

Procedures aimed at reducing the risk of a missing child:

Start of the day:

- Ensure parents are fully aware of the points at which responsibility for the care of their child passes from staff to them and vice versa.
- Clear procedures for welcoming children into the school.

During lesson time:

- All staff must ensure that external gates to any outside area are locked whenever children are outside. The only exception is the main gate.

- Children leave by two exits.
- Children in foundation stage are collected by their parents from classroom and cloakroom with a member of staff on the exit door. Children and staff have sight of parent before the child leaves through the door.
- Staff ensure that every child is collected by a parent/carer.
- After 10 minutes children who are left go to the junior building to wait for collection with the teaching assistant on duty.

Visits:

- Mobile phones taken on every visit and mobile contact numbers left at school.
