Our attendance target is
97%

Please can we remind parents that any leave requests during term-time will be denied. Time taken during school term time may result in fines administered by the Council and may result in court action.

Maths Workshops

This week, we hosted special maths workshops for parents of children in Years 1 to 5. The aim of these workshops was to provide parents with insights and strategies on how they can support their child's mathematical understanding and development at home. We greatly appreciate all the parents who attended these sessions.

Your engagement and support are key to enhancing our children's learning journey in mathematics.

Thank you once again!

Public Speaking—Finals

The Public Speaking Finals took place today with a number of our Junior children taking part. For the last few weeks, we have had a specialist teacher, Mr Gurney, who has been in school to coach the children in practising their speeches. Well done to all the children who took part. Mr David Campbell from Everyman Publishers kindly judged the competition and also donated books for all the finalists. Many thanks to Mr Campbell for his contribution to the event. The winners of the competition were:

Maysa Jamaa (Lower KS2) and Khamila Ahmed (Upper KS2).

19th April 2024

Homework Projects

Well done to all of our pupils who have been working hard on their homework projects. We have had a great response from all our year groups. In order to showcase all the talent in school, we will be holding a display of all the projects on **Thursday 25th April at 3.45pm in KS1 Hall**. You are most welcome to attend the showcase event.

Parents Information

We will be holding a coffee morning on Friday 26th April 2024 regarding well-being. An external organisation will be in to check blood pressure and give information regarding health matters. We have another guest from 'The Big Local' - Miss Currah will be in delivering information regarding energy choice, electricity, water, gas and much more.

BAEES will be coming in to carry out assessments for upcoming English and Maths courses for all levels on Tuesday 23rd and Tuesday 30th April from 12.30—3.30 pm in the community room. If you wish to have an assessment, please come in between the times stated.

Our SEND coffee morning had an end of term celebration today—we had guests who carried out Islamic Art workshops with parents who thoroughly enjoyed the session.
